

Landsborough to Nambour

Rail Corridor Study

July 2009

Special management areas

The environmental impact statement identifies a number of special management areas which have environmental, social, economic or cultural significance.

These special management areas have unique characteristics and require careful management through the planning, construction, operational and decommissioning phases of the project.

These areas include:

- Landsborough school and recreational precinct
- Addlington Creek (north)
- Dularcha National Park
- South Mooloolah River
- Mooloolah
- Mooloolah River
- The Pinch Lane (tunnels)
- Eudlo Creek
- Eudlo
- Eudlo Creek National Park
- Palmwoods
- Paynter Creek
- Woombye
- Petrie Creek
- Nambour.
